Item Number: 1029050  
Package Size: 1.18 FL. OZ. (35ml)  
Quantity Per Case: 10 Pieces

# The Best Just Keeps Getting Better!

## THE ORIGINALS

1953

Invented as a revolutionary method to lock and seal threaded fasteners

- Virtually every fastener can come loose if not securely tightened with a **Loctite® Threadlocker**
- Use of Loctite® Threadlockers can save time, reduce cost, improve safety, and increase your equipment reliability

1983

Available in varying viscosities and strengths for virtually any application, including exposure to extreme environments

- Loctite® Cinch®, the **original anaerobic gel** for thread treatment and gasketing
- Seals against most liquids and gasses and works well on coarse threads, large gaps, and overhead applications

## THE INNOVATIONS

2002

Delivering unmatched advanced technology

- **Loctite® Primerless Threadlocker** performs well on all substrates
- Particularly fast curing, eliminating the need for primers
- Also available in high strength

2003

No mess QuickStix™ make Loctite® Threadlocker easier than ever to apply

- **Solid formula:** great for overhead use
- Small enough to be "pocket friendly"
- No leaks, drips, or spills
- Keeps toolboxes, workbenches, and hands clean
- Fast and easy to apply

2007

New and improved gel dispense capabilities

- Multiple dispense options with pinpoint and flat top applicators
- Ease of dispense with new ergonomic package
- Ideal for coarse and large threads
